ZED

ZED is an easy to install, cost effective answer to projects requiring a double sided exit sign solution. Manufactured from hard wearing, resilient polycarbonate and ABS, the luminaire has the benefit of a removable geartray for easy installation and rapid future maintenance and a clip-on diffuser. The standard decorative skirt attachment lends a modern, sleek wedge profile appearance to the luminaire. A universal legend kit is supplied for application to an internally mounted legend plate, offering scratch and tamper resistance. Available in self-contained and slave operation formats, ZED can also be specified with EasiCheck automatic self-testing functionality.

- BSI kitemarked for peace of mind
- ICEL registered with verified light performance
- Competitively priced double sided exit sign
- Easy to install and maintain
- Internal, tamper resistant legend panels
- Supplied with universal legend kit for flexibility on site
- EasiCheck Intellem and CeaGuard self-test options
